

Ringing to Raise Roof & Rafters!

St. John's Lutheran Church, Sayville is raising the roof literally and figuratively.

The church, located just north of Sayville Library on Greene Avenue, is undergoing a renovation as the roof over the church altar is raised and reconfigured to better accommodate the liturgies and services of the church. The new roof lines will allow for greater light to bathe the inside. More flexible floor space will better fit the needs of the congregation's gathering, while additional height will accommodate and benefit the sound projection of the new three manual, 36 rank Peragallo Pipe Organ that is due to be installed later this year.

*Meanwhile, St. John's raises its roof with ringing a **Handbell Concert on Sunday, April 22 at 4:00 pm.***

St. John's Eagle Eye Ringers, under the direction of Rex Holden, combine forces with the **Garden City Community Church Ringers**, directed by Frank Crosio, for a concert of joyous and uplifting bell ringing. Music includes Dan Edwards' *Soar Like an Eagle*, *Fantasy on Kingfold*, *Deep River*, the African Freedom Song, *Siyahamba* and much more. St. John's Treble and Youth Choir also join in the action, premiering a new work by New Hampshire composer, Flice Lund for children's choir, keyboard and flute.

The concert takes place at St. John's Lutheran Church, 48 Greene Avenue, Sayville. It is open to the public. A free will offering will be received to benefit the roof-raising renovations!
